

**23155-0045 EB45-U 1" CASH ACME PRESSURE REG. THREADED UNION LEAD FREE**

SKU#: 96538

**OVERVIEW**

1" x 1", FPT x MPT, 400 PSI, 10 to 70 PSI Downstream, Lead-Free, Bronze, 1-Union, Modular Cartridge, Compact, Directional Arrow Configuration, Pressure Regulating Valve with Strainer

**Details**

Pressure Regulating Valve; Type 1-Union, Modular Cartridge, Compact Pressure; Nominal Size 1 Inch x 1 Inch; End Connection Female Threaded x Male Threaded; End to End Distance 6.17 Inch; Body Material Bronze; Spring Material Iron (Spring Chamfer), Zinc Plated Steel (Adjusting Spring); Seat Material Polyphenylene, EPDM (Disc); Diaphragm Material Reinforced EPDM; Downstream Pressure Range 10 to 70 PSI; Standard Factory Setting 45 PSI; Strainer Supplied Yes; Temperature Rating 33 to 180 Deg F; Pressure Rating 400 PSI; Inclusions/Features Metal-Cash Acme-Steel Hex Handle, Stainless Steel/Brass Piston, EP O-Ring; Application Hot/Cold Water Service; Applicable Standard NSF 372, ASSE 1003, CSA B356, IAPMO, CUPC; Lead-Free; Overall Height 5.4 Inch; Flow Configuration Directional Arrow

**SPECIFICATIONS**

PACK SIZE	1/ea
UOM	ea
ECLIPSE KEYWORDS	PRESS RED
ADDITIONAL INFORMATION	Lead-Free; Overall Height 5.4 Inch; Flow Configuration Directional Arrow
BRAND	SharkBite
CATEGORY	Plumbing > Brass Valves & Fittings
FEATURES/BENEFITS	Modular Cartridge Design Reduces the Number of Parts Requiring Service-Quick and Easy Service/Repair; Rugged Bronze Body; Superior Reliability, Improved User Safety; Compact Pressure Reducing and Regulating Valves; Designed for Small and Economic Consider
PRODUCT OPTIONS	Pressure Reducer
SIZE	1"
