BLUE MONSTER® Drain Banger

Professional Strength, Odorless Drain Opener

For Professional Contractors Only!

Devours hair, grease, soap and oils that slow and plug drain lines in less than 60 seconds!

HARMFUL OR FATAL IF SWALLOWED.
Contains Sodium Hydroxide (C.A.S. #1310-73-2).
Avoid contact with skin, eyes and clothing. Protect face (especially eyes) and other parts of body when using.

First Aid:
EYES – Flush with water for at least 15 minutes. Get immediate medical attention.
SKIN – Immediately wash with water. Remove contaminated clothing. Get immediate medical attention.
INTERNAL – Do not induce vomiting. Drink large quantities of water or milk. Get immediate medical attention.

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONS – Do not use where other drain openers or chemicals are present. Do not stand over or look into drain. Immediately after use, place a dish or pan over the drain to protect against possible eruption. Do not use where aluminum is present. Do not allow to come in contact with countertop or any material other than plumbing fixtures or drains. Do not leave container unattended. Wear safety goggles and gloves when handling this product.

Blue Monster Drain Banger devours hair, grease, soap and oils that slow and plug drain lines in less than 60 seconds! This professional-strength drain opener is powerful and fast acting. Drain Banger's unique formula is embedded in blue flakes that work more effectively than liquid drain openers or beads that can solidify forming rock-like masses further clogging drains.

Blue Monster Drain Banger is a hot water activated drain cleaner designed to be used by professional contractors only. It is odorless and will not harm plumbing fixtures, porcelain or septic systems.

Blue Monster Drain Banger can also be used for preventative maintenance eliminating hair, grease, soap and oil build-up that will create future problems.
